Capital Performance Group: Who We Are

CPG is a management consulting firm founded in 2001. We focus exclusively on the financial services industry. We have four practice areas: Strategy, Marketing, Distribution Planning, and Finance/Risk Management.

We provide value to our clients by delivering proven solutions to critical business issues, empowering decision-makers with relevant, concise, well-organized information, and engineering work practices to drive efficiencies and productivity.

CPG is unlike any other consulting firm.

- **Experience** — we are industry veterans. Our full-time professionals and consulting associate team members average over 20 years of experience in the financial services industry as practitioners and consultants.
- **Focus** — we specialize in financial institutions consulting and have developed unique tools and methodologies to address the business issues and challenges that are unique to the industry.
- **Practicality** — we know what it takes to implement and manage strategic initiatives and business model/process change efforts. We provide hands-on assistance and actionable advice.
- **Insights** – it's our job to keep an eye on the competitive marketplace and help you navigate it. Read our latest Wire and follow us on Twitter.
- **Results** – we help our clients get things done faster and with better results.

Why CPG?

The sales cycle in consulting is long. It takes time to know and trust consultants. We want new clients to grow into long-term relationships. Our success depends on it. We want to be business partners for the long-term, acting as a trusted source for information and support to help our clients achieve their goals.

We will gladly provide references upon request and with the permission of our clients.
